1. **Yes.** A foul is not called when a bowler crosses onto an adjoining approach area. However, if the bowler steps over the foul line on that lane, it is considered a foul.
2. **No.** A legal delivery must be executed for a foul to be committed. A legal delivery is made when the ball leaves the player's possession and crosses the foul line into playing territory.
3. **Yes.** The foul line is of infinite length including walls, floors, posts and ball returns. A foul is not committed when foreign objects such as pens, jewelry, coins, cigarettes, etc., drop from a bowler's pocket or fall from a person's body or clothing. (Footwear and clothing are considered part of the body.) A player should request permission to cross the foul line to retrieve any items that have fallen beyond the foul line.
4. **No.** All teams that bowl a Baker 300 game are eligible to receive a Sponsor's Award. Each team is eligible for one award during the bowling season. Additional plaques may be purchased by contacting USBC Headquarters.
5. **No.** USBC offers an adult lifetime award for your first 300 game, first 800 series, and first 900 series achievement bowled.
6. **No.** Rule 325 - a. Games must be bowled as though they were contested. b. **Each player must complete a frame** on one lane before the player bowling lead off starts the next frame on the adjoining lane.
7. **No. But-**Rule 328 states - Changing Delivery In handicap and classified tournaments, once the bowler has taken his/her first shot, he/she shall continue to use that hand throughout the tournament **unless**, due to injury, the bowler finds it impossible to continue bowling with the same hand. The bowler may seek approval of the tournament director to continue with the opposite hand. **Penalty: Disqualification in the event in which the violation occurs and loss of entry fee for that event.**
8. **No. You must use the highest established average regardless of which hand you are using!** (319a/1 The tournament rules require bowlers to use their highest average from the previous season. A bowler has an established previous season left-handed average of 150 and a 175 right-handed average. He plans to bowl with his left hand in the tournament. Which average would he use? The tournament rules require all bowlers to use their highest average. Therefore, he would have to use his 175 average, regardless of whether he bowled with his right or left hand.)
